## **Financial Assistance Application**

## YOU MAY BE ABLE TO RECEIVE FREE OR DISCOUNTED CARE

Completing the application will help Graham Health System (GHS) determine if you are eligible to receive free or discounted healthcare services, or qualify for other public programs that may help pay for your care. Financial assistance is only available for medically necessary services. Financial assistance does not apply to the Graham Health System Walnut Terrace Facility.

If you are uninsured, a Social Security Number is not required to receive free or discounted care. However, a Social Security Number is required for some public programs, including Illinois Medicaid. Providing a Social Security Number will help GHS in determining whether you qualify for any public programs.

To apply for free or discounted care, please complete the form and return in person, by mail, or by fax to any of the locations listed above. This form must be returned within 60 days of receiving services.

For proof of income, or asset verification, we require (for all people in the household):

- A copy of your most recent Federal Income Tax Return
- A copy of your last month's checking and/or savings account
- Copies of your last three pay stubs
- If unemployed, provide the state unemployment claim/stub
- If retired, disabled or on Social Security: provide copies of your monthly benefit
- Proof of alimony or child support
- Copies of your Health Savings Account (HSA) if applicable
- Documentation for asset verification (Money Markets, CDs, IRAs, etc.)

If unable to supply the necessary documents above, please provide a written statement explaining your current situation. Please do not mail original documents. Send copies only.

Patient acknowledges that they have made a good faith effort to provide all information requested in the application to assist GHS in determining whether they are eligible for financial assistance. Patient further agrees GHS can check employment and credit history if necessary.
